

4-Man Count 2-3-4

In this event, 4 players compete as a team. All players play their own ball on each hole. The team records the 2 lowest net scores on par 5's, the 3 lowest net scores on par 4's and all 4 net scores on the par 3's.

The net score for a hole is determined by subtracting any strokes that the player receives (based on handicap allowance) from the player's actual score.

Handicap Allowance is calculated by taking 90% of the course handicap.

** Per USGA regulations, If any members of the 4-man team picks up before completing the hole because their partners have better scores, the player who picked up must record a reasonable estimate of the score they would have recorded had they completed the hole.*
