

Pick Your Pro – Major Championship

This is a Net event with a theme relating to one of the major professional championships. When you arrive to play this event, you will pick a player who is competing in the championship being conducted that week.

Payouts for this event will be based on your net score for the day's event, plus, the first round score (for Wed 9 & 18) or third round score (for Sat) of the pro you picked for the the championship. Wed 9 players will take half of the score of the pro they pick. Round down in the case of a half stroke (i.e. 71 would be 35).

Be sure to pick your Pro and pay the premium (certain players will require you to pay an extra fee) if required. See the list of the premium players and their cost in the golf shop.

Your Low Net score is your total actual (gross) score minus your **COURSE** handicap for the tees and course combination being played. Handicap allowance is 100% of course handicap.
