

# Progressive Skins

This event is just like the weekly skins except that each hole is worth a designated amount of money awarded to a player who wins the skin on the hole. The value of the holes increases every 6 holes as the round progresses. If no one wins a skin on a hole, the value of it carries over the next hole and continues until a skin is won. If no skin is won on the last hole, the value of the hole will be awarded in one of two ways. 1) The league chair could split the value evenly among the players who scored the lowest on the hole OR 2) He could use a tie break among the players who scored the lowest on the last hole using those players previous hole scores to determine one winner.

***ALL SCORING DONE EXCLUSIVELY THROUGH MOBILE APP. PAPER CARDS WILL NOT BE ACCEPTED. ASK THE PRO SHOP FOR HELP IF YOU NEED IT.***
