

# Whose Ball Counts 4-Man Count 3

In this event, 4 players compete as a team. Each player on the team is assigned some holes on the course, either by a color or by designation before the start of the round. The team score on each hole is determined by adding the net score of the assigned person + the 2 best net scores from the other 3 players. On holes where there is no player assigned, count the 3 lowest net scores for the team from all 4 players.

Handicap Allowance is calculated by taking 90% of the course handicap per

*\* Per USGA regulations, If any members of the 4-man team picks up before completing the hole because their partners have better scores, the player who picked up must record a reasonable estimate of the score they would have recorded had they completed the hole.*
